

REMARKS

This Amendment is in response to the Official Action of May 27, 2005.

It is submitted that the objections to claims set forth on page 2 of the Official Action are overcome by the amendments to the claims as currently presented herewith. The careful review by the Patent Examiner in bringing these informalities to the attention of the undersigned is acknowledged with appreciation. Incidentally, in reviewing the claims, it was noted that the spelling of "borne" in line 9 of Claim 134 required correction and therefore Claim 134 is also being currently amended by the instant Amendment.

Formal drawings including the new Figure 5 will be filed either concurrently with this Amendment or soon thereafter.

With the instant Amendment and the Submission of Formal Drawings, the instant Application appears to be in condition for allowance and to be passed to issue. Action to such effect is respectfully solicited.

Respectfully submitted,

MASON, MASON & ALBRIGHT
